GLACIAL HERITAGE AREA PADDLE VOLUNTEER CORPS

2016 SCHEDULE

WATERTRAIL MAINTENANCE & GROUP PADDLES IN GREATER JEFFERSON COUNTY

A short drive from Madison and Milwaukee

We rely on volunteers to maintain GHA watertrails. At work sessions, trained volunteers use chainsaws to cut fallen logs and branches, while other volunteers safely stack debris along the river or creek bank. Volunteers are required to wear a personal flotation device and proper clothing for wet conditions.

Thank you for your support!
